

HOBIHOBİ INSTRUCTIONS FOR USE

Use these instructions to create events on the HobiHobi.fi website.

You need a Suomisport ID to add an event to the HobiHobi.fi website. The registration is done only once, and you need your personal identity code for it. Once you have received the confirmation that your Suomisport ID has been successfully registered, the creation of events will be easy and effortless in the future.

If you have any questions, please send them to: Hobihobi@vantaa.fi

REQUEST EDIT ACCESS

Adding a club or an association to Suomisport, phase 4

Once the information of the club or association has been revised and added to Suomisport, you will receive a confirmation email from Suomisport, which enables you to create a password as an organisational user and start creating events.

The confirmation takes approximately 2–5 weekdays!

Adding events to the HobiHobi.fi website

Phase 1.

Sign in with your Suomisport password and start creating the event from Tapahtumat ("Events").

Phase 2.

In Kuntaan tai hankkeeseen liittyvä tapahtuma ("Event relates to a municipality or initiative"), click KYLLÄ ON ("YES") and select "VANTAA" from the menu. This makes your event visible on the HobiHobi.fi website.

Thank you for reading the instructions until the end. If you have any questions, please send them to: hobihobi@vantaa.fi
