

X-ray units during the COVID-19 epidemic

You have been referred to radiography with an electronic referral.

If you **do not** have a respiratory tract infection, you can have the examination at the HUS Medical Imaging units in **Tikkurila or Elielinaukio**.

If you **have a respiratory tract infection**, have the examination at the HUS Medical Imaging unit in **Myyrmäki**.

Instructions when you arrive to Myyrmäki health center:

Entry to the X-ray unit is via entrance E. There is a doorbell on the right side, please ring it and wait, until a nurse comes to open.
